### A June Calendar

8th June - If on the eighth of June it rain  
That foretells a wet harvest, men sayen

11<sup>th</sup> June - St Barnabas's Day

15<sup>th</sup> June - St Vitus's Day  
If St Vitus day be rainy weather  
It will rain for forty days together.

23<sup>rd</sup> June - Midsummer's eve

Birthstone - Pearl

Flower - Rose

Plant Strawberries near borage, beans and lettuces for their mutual benefit.

Sow beans in the mud, they'll grow like wood.

A sprig of savory, rubbed onto a wasp or bee sting, brings instant relief.

If troubled by rabbits, protect your crops with a row of onions, chives, garlic or more elegantly with ornamental onions. Rabbits will never pass through such a border.

A swarm of bees in June is worth a silver spoon.

Make your world beautiful...  
Begin with just the simplest thing:  
A word to speak, a song to sing,  
A prayer to say, a note to write,  
A room to clean, a lamp to light  
To lead some pilgrim through the night.

Make your world beautiful...  
Be kind to one you thought unkind,  
Give selflessly and you will find  
The miracle that makes a friend,  
A rose-stream pathway round the 'bend,  
A rainbow at the river's end.
