

# **Kirmington & Croxton Neighbourhood Watch**

January Report

Parish Council Meeting: Tuesday, 5<sup>th</sup> February 2019

**Happy New Year! Thank you to Claire Humble for kindly presenting the report.**

**Monthly Newsletter:** Kirmington & Croxton NHW November Newsletter included the following:

- **Information re the Park Run**

The Park Run is still going, there a core few who attend and run every week and is enjoyed by participants.

- **Jules put out a feeler to see if anyone was interested in a Healthy Eating Club**

Jules is putting out feelers to see if anyone would be interested in a Healthy Eating Club in the Village. It is envisaged it would be a self supporting club to help people to eat healthily and lose weight, swap recipes and have fun together...without weighing scales! Whether the Club goes ahead or not depends on feedback.

- **Reminder for dog owners to pick up after the dogs**

There was a complaint in the Village concerning owners not picking up after their dogs, especially near the school which is unacceptable. Dog owners have been reminded that there are plenty of bins around the Village and that it is not difficult picking up after your dog.

- **Thank you from and to Anita Green**

A thank you to Anita Green for her efforts re the Kirmington Advent Calendar and thanks to Anita and everyone who Carol sang, participated in the wonderful Nativity that Julie Wellman organised and attended Santa's visit to the Village which made the Village so festive.

**Neighbourhood Watch Activity for the Month of January:**

- January 30<sup>th</sup> 2019: There had been some hedge cutting work carried out down Post Office Lane to make the Village tidier. A complaint was made to Cllr Marsden that it was not cleared up. The hedge cutting had been carried out the previous late afternoon and someone had been engaged to clear up after the hedging which he did later the next morning. Jules checked the work after it had been done.
